SAN FRANCISCO IN RUINS

Earthquake and Fire Disaster Evidently One
of the Most Awful Calamities of
Modern Times.

Special to The Eagle:

St. Louis, Mo., April 18.--San Francisco is in ruins. Pacific squadron of the United States Navy reported sunk.

AWFUL SHOCK GIVEN FRISCO.

Fire Adds to the Horrors of the Occasion.

GREAT LOSS OF LIFE ONE RESULT

Never Before Were Such Scenes in That City.

FLAMES DO MUCH DAMAGE BESIDES.

People of the Pacific Coast Metropolis Were Aroused at an Early Hour by an Upheaval of Frightful Nature.

San Francisco, April 18.—A terrific earthquake shock caused this city to tremble at 5:15 o'clock this morning.

The business section from Market to Mission street and from the bay back has sustained terrible damage. The Call and Examiner newspaper buildings were destroyed. Fires broke out, and owing to scarcity of water were hard to control. The Associated Press office was badly damaged.

Buildings on fire were numerous, and in order to stop the flames dynamiting of structures in some instances was resorted to. People soon began vacating the downtown section.

The Valencia hotel, between Seventeenth and Eighteenth streets, on Valencia street, a five-story frame building, toppled over onto the street, burying seventy-five people in the debris. A house on Fourth street, near Valencia, was wrecked, killing two people. Many fire department houses were damaged so badly that it is impossible to get the fire apparatus out. A lodging house, on Seventh street between Howard and Mission, known as the Kingsley, has entirely collapsed. It is on fire, and seventy-five or eighty people are believed to be buried in the flaming ruins. At Twenty-second and Mission the dry goods store of Lipman caught on fire, threatening destruction of the entire block. At Eighteenth and Valencia there is a crevice in the street six feet wide. Entire sidewalks are torn up.

Street car racks are badly twisted all through the southern section of the city, and traffic is at a standstill.

At the Southern Pacific hospital water is being carried into the building from outside sources for use of the patients.

Many people suffering injuries were seen on the streets making their way to the different hospitals. The Episcopal church, on Eleventh street, was badly damaged, and at the Studebaker carriage factory, Tenth and Market streets, the top story caved in, badly wrecking the entire building.

The shock lasted three minutes. At 8:45 o'clock there was a second shock, which intensified the panic. People rushed into the streets. The shocks was of short duration, and the alarm soon subsided.

The San Francisco hotel stood the shock. People flocked to the telegraph offices to send messages to friends and were frantic because there were no wires. The greatest damage was to buildings south of Market street, where mostly frame buildings and tenement houses are located. There were fires in every block in that district.

Disastrous fires broke out on the south side of Market street, and were soon within one block of the Palace hotel. Water mains burst and the fire department was practically helpless. The utmost confusion existed. All business was suspended. At 8:50 o'clock

New York, April 18, 11 p. m.—

There are 20,000 homeless in San Francisco, and more being burned out. Experts estimate fire loss one hundred million. Martial law forbids landing of passengers in San Francisco. Soldiers have orders to shoot looters, and several have been shot. Conservative estimate of the number of deaths cannot be made at this time.

there was only one wire out of San Francisco—a Postal wire.

The Postal building was badly damaged. The operating room is a total wreck. Power of every kind is gone, and there are no lights, either gas or electric.

Between the Postal office and the water front there has been great damage by fire, which burned fiercely, and there are no lights or water. Fire was burning both on the east and south side of the Postal Telegraph company's building.

The streets are blockaded with debris. Santa Fe roundhouse and shops at Point Richmond, across the bay, have collapsed.

At 10:15 o'clock, coast time, fire extended from Ferry to Front streets on one side and pretty much all south of Market street, and out to about Seventh street, with sporadic fires in the park section and western division.

At that hour there was no way of estimating the dead.

Much property was damaged on Davis, Front, Battery, Sanson, Montgomery, Kearney, Spear, Main, Bala and Fremont.

Advices from Fresno say that a severe shock prevailed there. No details. News from Sacramento says that city was also shaken, but amount of damage was not stated.

Twenty-one bodies were taken to the morgue, which is now full. Militia patrol the streets and have orders to shoot any persons caught stealing.

Up to noon Wednesday the property damaged was estimated at \$40,000,000.

Fires at that time were raging and spreading in all directions. Great sheets of flames shot high in the air, fanned by the breeze.

At 1 o'clock the flames were in a short distance of the Postal Cable, Western Union and Associated Press offices and instruments were being taken out.

School Fund in Treasury.

Austin, April 18.—The permanent school fund Tuesday had a cash balance in the treasury of \$710,000, with no bond offerings to reduce the accumulation, which will soon reach \$1,000,000. The board can invest only in the bonds of counties, cities and independent school districts.

Depositors in Luck.

Boston, April 18.—Depositors of the Central National bank of this city, which failed in 1892, will receive all their money with interest. Receiver Frank D. Allen announces that a final dividend of 10 per cent will be paid at once.

"Black Pope" Dead.

Rome, April 18.—Father Louis Martin, general of the Jesuits, known as the "Black Pope," died Wednesday. He had been suffering from cancer of the chest.

Due to Match Playing.

Newport, Tex., April 18.—The clothing of a child of James Cuthbert caught fire, due to playing with matches and little one burned to death.

Great Corn Shipments.

Chicago, April 18.—More than 1,500,000 bushels of corn were shipped past two days.

Refuses Voliva's Suggestion.

Chicago, April 18.—Dowie will not accept Voliva's suggestions that a board of trustees be appointed for Zion City.

Lottery Office Raided.

New Orleans, April 18.—Office of Little Mexican Lottery company was raided and a woman arrested.

TWO RETAINED.

Hughes and Simpson Will Assist in Ascertaining Facts.

Washington, April 18.—Attorney General Moody gave a statement in which he said that Charles E. Hughes of the New York bar and Alexander Simpson of the Pennsylvania bar have been retained by the bar of justice to take under consideration all facts now known or which can be ascertained relating to the transportation or sale of coal in interstate commerce; to advise what, if any, legal protection should be begun and to conduct under the direction of the attorney general such suits or prosecutions, if any be warranted by the evidence in hand and forthcoming.

PETERS ACQUITTED.

Coroner's Jury Held He Did Right in Protecting His Sweetheart.

Springfield, Mo., April 18.—Leslie Peters, the eighteen-year-old boy, who shot and killed Ralph Burns, a negro, in defense of his own life and his sweetheart's honor, was acquitted by a coroner's jury. The acquittal met with unanimous approval. The attempted crime of the negro has not wrought up any great feeling among the whites. Many of the negroes here say they are glad Burns was killed, as he was regarded as a bad man, and was feared by many of his own race.

BROKE ALL RECORDS.

Mayor Refuses Season Pass to Baseball Games at Pittsburg.

Chicago, April 18.—A dispatch to the Tribune from Pittsburg, Pa., says: "Mayor G. W. Guthrie of Pittsburg broke all records Tuesday when he refused a season pass to baseball games and declined to attend the opening game in this city. The mayor considers baseball passes a form of graft, which he bitterly opposes."

It All Depends.

Chicago, April 18.—District Attorney Morrison declared that if it is found after investigation by the government that the railroads believed heretofore to be owned by John R. Walsh were in reality owned by the Chicago National bank, of which he was the president, the charges against Mr. Walsh of misappropriating \$3,000,000 will be nullified.

Nobody Hurt.

Shreveport, April 18.—Eastbound passenger train No. 1 on the Vicksburg, Shreveport and Pacific railway was derailed at Crow Lake. Four cars and the engine left the track but did not turn over. No one was hurt. A washout was the cause of the wreck.

Much Bullion Withdrawn.

London, April 18.—Bullion amounting to 5,000 pounds was withdrawn from the Bank of England Tuesday for shipment to South America and 210,000 pounds were withdrawn for shipment to the United States.

ACROSS CONTINENT.

Shock Seems to Have Extended From Pacific Ocean to Atlantic.

Washington, April 18.—The San Francisco earthquake reached across the entire continent. The seismograph at the weather bureau here showed a violent agitation about 8:30 o'clock Wednesday morning. The instrument at 12 o'clock was still under vibration, showing earthquake had not ceased. Upon hearing the news of the San Francisco earthquake Assistant Secretary of War Oliver in the absence of Secretary Taft, who was at the capitol, telegraphed Major General Greeley, commanding the Pacific division, headquarters at San Francisco, instructing him to co-operate with the local authorities to use all resources at his command to assist in alleviating the situation there.

FORMER SHOCKS.

This is the Most Severe That Has Ever Been Experienced.

New York, April 18.—The last earthquake that occurred at San Francisco was about the middle of January, 1906. Several distinct shocks were felt early in the morning, causing vibration of buildings all over the city. The chief building effected was the St. Nicholas hotel, which was severely shaken. The walls collapsed and certain parts of the structure fell, patrons were thrown out of their beds and furniture destroyed.

In 1894 there was felt a severe seismic disturbance in Los Angeles, which was felt throughout the city and for a radius of several miles. No actual damage was done, but this was the most severe shock that had ever been felt in southern California.

ALL OVER NEVADA

Wires West of Reno Were Down and Particulars Meager.

New York, April 18.—The Western Union received a report that a serious fire was burning at Berkeley, Cal., where the state university is located. The report came from Pinola, a station ten miles out from San Francisco, and the nearest point to the latter city which the company had been able to reach up to noon Wednesday. Berkeley is between Pinola and San Francisco.

At the offices of the St. Louis and San Francisco railroad in this city a message was received from the company's agents in Nevada saying that an earthquake shock was severely felt throughout Nevada and that all wires were thrown down west of Reno.

TRACK SINKS.

Three Miles Went Down and Several Cars Were Burning.

New York, April 18.—A telegram from Sacramento to the Western Union reports three miles of railroad sank out of sight as the result of the earthquake between Suisun and Benicia, and all wires were taken with it. At Pleasanton there are several cars burning on the main line blocking the track.

DELEGATES DINED.

Stephens Bill, as Amended, Was Endorsed by the Convention.

St. Louis, April 18.—The convention of Commercial Clubs of the South-west closed here with a dinner at the Jefferson hotel, attended by several hundred delegates, and at which the governors of six states and territories were the guests of honor.

Nathan Frank of St. Louis, chairman of the conventions committee, acted as toastmaster. Governor Davis of Arkansas responded to the toast, "The Mississippi Valley," and Governor Frantz of Oklahoma spoke on "What Statehood Means to Oklahoma." "Kansas was the home of Governor Hoch."

Governor Kibbey of Arizona spoke on "Modern Arizona" and Governor Hageman of New Mexico had assigned him the subject, "The Land of Sunshine."

Resolutions were adopted endorsing the Stephens bill as amended, providing for the opening up to settlement of over 500,000 acres of land in Comanche county, southern Oklahoma, appealing to congress to enact a law removing restrictions on the alienation of the surplus allotments of Indians in the Indian Territory of less than full blood and demanding the immediate passage of a statehood law in the interest of Oklahoma and Indian Territory.

TEXAS MASTER BAKERS.

Sensible Statement Made by the Organization's President.

San Antonio, April 18.—The Master Bakers' Association of Texas was in session here Tuesday. The question of the greatest interest is how they can individually and collectively induce families to quit making their own bread and buy the products of the bakers.

Mr. Joseph Taylor covered that subject in an address.

W. L. Richter of San Antonio, president of the association, in a discussion of the subject, said there was not one woman in San Antonio who could not make good bread.

GROOM DEAD.

Prominent Texas Cattleman Expires at New Orleans.

New Orleans, April 18.—Colonel B. B. Groom, a big cattle raiser of Groom, Tex., in the Panhandle, died at the St. Charles hotel at 8 o'clock Tuesday night, where he had been ill for some time. His son, T. T. Groom, arrived from Texas a week ago, and was with his father. The remains will be shipped to Kentucky for interment.

PANHANDLE CATTLEMEN.

Seventh Annual Convention in Session at Amarillo.

Amarillo, Tex., April 18.—About 1,000 persons were present at the opening session Tuesday at the seventh annual convention of the Panhandle Stockmen's association. In his address President Bugbee said he hoped to see cotton mills and packeries established all over Texas.

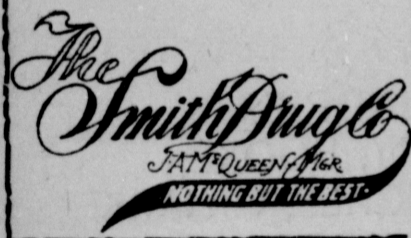

SPARKLING DELICIOUSNESS

Sparkling, fizzing, full of life—fresh as the dew in early morn—cool as a mountain stream—delicious—The soda that grows ever more popular.

OUR SODA

Join the army of Soda Drinkers now regaling themselves at our fountain.

Everything in New Drinks.

Slander.

Slander is a poison which extinguishes charity, both in the slanderer and in the person who listens to it, so that a single calumny may prove fatal to an infinite number of souls, since it kills not only those who circulate it, but also all those who do not reject it.—Woman's Life.

WILL NOT BE ISSUED.

So Says Judge Storey, Chairman of Railroad Commission.

Austin, April 18.—Judge L. J. Storey, chairman of the railroad commission, announced that the notice for a hearing on the proposition to reduce passenger fares on the railroads in Texas will not be issued. The latter reached a point where he and Commissioner Mayfield are practically opposed to the proposition.

ABSOLUTELY ABORTIVE.

Special Message Terms Trial a Miscarriage of Justice.

Washington, April 18.—In a special message delivered to congress Wednesday President Roosevelt declares the result of the recent trial of "beef packers" in Chicago was a "miscarriage of justice;" that the interpretation placed by Judge Humphrey on will on congress is such as to make that will absolutely abortive.

PRINTER'S GOOD LUCK.

Discovers Valuable Mine and Sells to Senator Clark.

Dallas, April 18.—Information received from Yuma, Ariz., is that George N. Beach, a former resident of this city and a well known printer, who has been prospecting in the mountains north of here, discovered a mine containing gold, silver and copper. He sold the property to Senator Clark of Montana for \$60,000.

Severely Shot.

Austin, April 18.—Hugh Luck, an escaped city prisoner, was shot through a leg and severely wounded while attempting to escape from City Marshal Morris.

Joy President.

New Haven, Conn., April 18.—Prof. C. H. Joy of Harvard university was elected president of the American Oriental society.

BRILLIANT WEDDING LAST NIGHT

Mr. Ralph Albert Risser Jr. of Ballinger Weds Miss Irene Keeling.

At the First Baptist church in this city last night at 9 o'clock, Mr. Ralph Albert Risser Jr., of Ballinger and Miss Irene Keeling were united in marriage in the presence of a large assemblage of friends by Dr. I. F. Betts. The beauty of the handsome church was enhanced for the occasion by large palms, ferns and other plants.

Mrs. H. O. Boatwright presided at the pipe organ and gave several instrumental solos, followed by a violin solo by Mr. Max Mayer. Just before the wedding party entered Miss Marie Adams sang most exquisitely "All for You."

The wedding march ushered in the bridal party, the attendants passing down opposite aisles, the ladies and gentlemen alternating, and formed before the altar. The bride entered leaning upon the arm of her father, and was met at the altar by the groom and best man. The solemn and beautiful wedding service in which the ring is used was pronounced by Dr. Betts, and the party passed out to waiting carriages.

decorations were elaborate and exquisite in the receiving rooms, a special feature being large pendant baskets of cut flowers held by tulle streamers of varying shades. Festoons of smilax and ferns supplied green tracteries and backgrounds. The reception hall was in red with baskets of magnificent American beauty roses. White bride roses adorned the parlor, Mareschal Neil roses were predominant in the library, while bridesmaid roses were featured in the dining room decorations. Each room of the suite seemed to vie with all the others in loveliness.

The door was opened to the guests by Misses Helen DeMaret and Aline Rhodes, and E. J. Fountain Jr., while Mr. and Mrs. E. J. Fountain, Mr. and Mrs. R. T. Boyle, Mrs. R. A. Risser of Ballinger, Mrs. Dr. Gilson of Calvert, Mrs. M. H. Webb and Miss Lillie Hall received in the reception hall. The bridal party gave greeting in the parlor, where the bride and groom were showered with congratulations. Dr. and Mrs. Butler, Dr. and Mrs. Betts, Revs. T. T. Martin, J. F. Harley and C. P. Fountain were invited to receive between the parlor and the library, while in the library receiving line were Mesdames G. M. Brandon, D. C. DeMaret, E. J. Butler, J. R. Carl-

Mrs. R. A. Risser of Ballinger, and a young man of fine character and splendid business ability.

Mr. and Mrs. Risser left for Ballinger last night, and will begin housekeeping in their new home—the gift of the groom's parents.

EVERYBODY INVITED TO SAN ANTONIO

Farmers and business men from the north, middle and western states, who have seen fit to join with us in the development of the state of Texas, are cordially invited to meet at San Antonio, Texas, Friday, April 20, and attend the opening exercises of the second annual meeting of the Northern Settlers' Association. This occasion has been widely advertised in all states from which Texas has secured its foreign citizenship, and there will doubtless be an immense attendance secured. All of the Texas lines have joined the Sunset Route in a joint invitation which has been widely distributed throughout the older states, and the land and immigration agents of that company are making strenuous efforts to secure large crowds from their respective territories. In addition to the efforts put forth by the Sunset Route, the Texas lines are all working for the same purpose. You will, therefore, no doubt upon your visit to San Antonio, meet with numerous of your former friends and neighbors.

Round trip tickets will be sold at a very low rate, and in addition to the convention meeting, you will have an opportunity of witnessing San Antonio's annual Battle of Flowers, than which there is no more beautiful display.

Write any general passenger agent in Texas for rates to San Antonio, or to T. J. ANDERSON, G. P. A., G. H. & S. A. Ry., Houston, Texas.

The currant of commerce is said to be one of the most nutritious forms of food, a pound of the little berries from Greece containing more than three times as much actual nourishment as the same weight of lean beef. "Currants," says one authority, "should really be eaten every day. They contain all the beneficial properties of the apple, but in greater proportion." The most important fact connected with them is that they supply the body with muscle building and nerve sustaining material in a form ready for speedy digestion and assimilation.

KANSAS CITY.

KANSAS CITY CATTLE AND HOGS.

Special to the Bryan Eagle. Stock Yards, Kansas City, Mo., April 16.—A few Southern Texas grass steers were included in receipts last week, selling at \$4.15 to \$4.35, but the bulk of the supply is still fed stuff. Forty loads of the quarantine division today fed stuff, and containing many good steers. The supply last week began to show signs of the end of the feeding season, many tail ends and a low general average quality. The market declined 5 to 10 cents during the week, but is strong and active today. The Johnson steers from Chickasha sold at \$5.50 today, other cattle at \$4.90 to \$5.25, bulk of sales \$4.40 to \$4.75, a few light steers at \$3.75 to \$4.10, bulls \$3.25 to \$3.75, some 580-lb. heifers at \$4.10. Cows sold at \$3.15 to \$3.85 last week. Good fat steers are getting scarce in the native division, but no pronounced rise has set in yet. At this time a year ago prices were 75 cents to \$1.00 higher than now, account of scarcity about that time, good to choice steers selling at \$6.00 to \$6.75.

Hogs steadily advanced last week, and predictions favor still further gains this week. The top today was \$6.60, market steady, bulk of sales \$6.40 to \$6.50. Farm work is occupying all of the time of feeders now, and although the high prices lead some farmers to make sacrifices to market everything available, receipts will probably continue moderate. Packers are not able to get more than 50 per cent as many hogs as they want. Weights below 200 lbs. held up strong as compared with butcher weights, which command the top, while heavies have sank back a notch.

J. A. RICKART, Live Stock Correspondent.

JNO. M. CALDWELL The Jeweler

MRS. RALPH ALBERT RISSE JR.

The wedding party included the following: Miss Aubra Tabor of Houston, maid of honor; Mr. R. E. Risser of Ballinger, brother of the groom, best man; Misses Jessie Garth, Lilla Graham McInnis, Marie Adams, Nonie Adams, bridesmaids; Messrs. Elmer Pope of Madisonville, Harry Gilson and Jack M. Lewis of Calvert, W. J. Coulter, groomsmen; E. J. Fountain Jr., and Miss Helen DeMaret, pillow bearers; Messrs. Seth DeMaret and Tom Adams ushers.

The bride's dress was white tulle trimmed with baby Irish lace, with veil and lilies of the valley. She carried white bride's roses.

The maid of honor was gowned in pink flowered mull and carried pendant from one arm with pink tulle bows a flower hat filled with pink carnations.

The bridesmaids were in white princess costume, with flower hats suspended by white tulle bows, filled with white carnations and ferns.

Mr. and Mrs. Edmund Jones Fountain tendered a reception to Mr. and Mrs. Risser at their beautiful home from 10 to 12 o'clock. The

ton, Edgar Perry of Austin, H. O. Boatwright, W. S. Howell, W. C. Fountain.

The rear porch was screened with canvas and here was provided a beautiful marriage register presided over by Miss Emily Thomas. The music of an orchestra also floated out from this retreat throughout the evening.

Brick cream and individual white cakes were the refreshments. The bride's cake, the gift of Mrs. J. T. Hines, was handsomely adorned with double hearts and natural orange blossoms, and when the cake was cut pretty slipper boxes were provided for the pieces; also rice cornucopias for showering the bride and groom.

The wedding remembrances were seen in the library, and in number and magnificence gave evidence of the popularity of the young couple.

The bride is a daughter of Mr. and Mrs. Roger Taney Boyle of this city, and one of the loveliest and most popular of Bryan's girls, admired and beloved by everybody.

The groom is the son of Mr. and

THE MORNING EAGLE

Entered at the Postoffice as second class mail matter.

BY CARNES & WALLACE.

ANNOUNCEMENTS

The Eagle is authorized to announce the following candidates for the district, county and precinct offices respectively indicated, subject to the action of the democratic primaries:

For Congress—6th District
T. S. HENDERSON
Of Cameron, Milam County.

For Congress—6th District
RUFUS HARDY
Of Corsicana, Navarro County.

For Congress—6th District
RICHARD MAYES
Of Corsicana, Navarro County.

For District Attorney—20th District
J. M. RALSTON (Re-election)
Of Cameron, Milam County.

For Representative—45th District
J. L. FOUNTAIN (re-election)

BRYAN, TEXAS, APRIL 19, 1906

J. L. FOUNTAIN FOR REPRESENTATIVE

The Eagle takes pleasure in calling the attention of the people of Brazos county to the announcement of Hon. J. L. Fountain for re-election to the legislature from Brazos county, which comprises the Forty-fifth district, subject to the democratic primaries. Dr. Fountain has served during three regular and several called sessions of the legislature, and has made a vigilant and business-like representative. He has always been prompt in his attendance upon the sessions of the house, and at his post to guard the interests of his constituents. He has always been assigned important committee appointments, and it is in the work of the committees where the wise

and conservative representative has the best opportunity to serve with most efficiency. Dr. Fountain's work for the A. and M. College, in the interest of securing appropriations, has also been notably successful, and it is generally recognized that while this is a state institution, it is one of the most important local interests. His experience and knowledge of the details of his duties, together with his large acquaintance with a majority of the men who will likely compose the next legislature are valuable requisities for his service. Dr. Fountain has resided in Bryan thirty-two years and is a life long democrat, active in the service of his party.

In this connection we may add that Dr. Fountain introduced the bill to pay special veniremen who respond to summons, whether they are taken or not. He got the bill passed by the house, but the senate defeated it.

Dr. Fountain offers for re-election on the record he has made, and rests his claims with the people of Brazos county.

H. & T. C. EXCURSIONS.

The H. & T. C. will sell excursion tickets as follows:

New Orleans, account Confederate Reunion; dates of sale April 22, 23 and 24. Rate \$9.10 Special through train Monday, 23rd, passing Bryan at 4:40 p. m. Limit May 7.

The Daughters of the Confederacy entertainment at the opera house Friday night will not begin until 9 o'clock on account of the revival services. Seats on sale at Haswell's. Remember the date and don't miss it.

SAN FRANCISCO DISASTER

Golden Gate City the Victim of an Earthquake and Fire.

Mr. W. W. Harris, agent of the Western Union Telegraph company, has the thank of The Eagle for supplying yesterday the following bulletins containing the first news of the great earthquake disaster at San Francisco. The bulletins are as follows:

New York, April 18.—The Associated Press has just received the following: Report has reached here of a severe earthquake which wrecked many buildings and caused loss of life in San Francisco this morning. Shock was felt at 5:15, San Francisco time. Following wrecking of the buildings, numerous fires broke out. Postal Telegraph office was wrecked and communication lost at 8:50, New York time.

During a second shock of short duration a five-story building collapsed and seventy-five people were killed. The city on fire and unable to check the flames.

Many prominent buildings collapsed. Water mains burst, owing to pressure, and water supply cut off. Buildings were dynamited to check flames. Three miles of railroad track sunk and disappeared carrying down the telegraph wires.

Crevice on Valencia street six feet wide. Car tracks torn and twisted. Earthquake shock felt across the continent. Santa Fe roundhouse and shops across bay collapsed. Flames spreading, and unless wind changes nothing will prevent destruction of city.

Estimated 2000 dead. Millions property loss. City hall and majestic theatre in ruins.

Section South Market street between Sansome and Ninth streets is mass of flames. The Call building just burned and Anglo-California bank destroyed. All prominent newspaper buildings except Chronicle destroyed. Reported Berkeley, Cal., is in flames. Western Union and Postal telegraph buildings wrecked. Large hotels demolished. Believed information sent out falls far short of real magnitude of the disaster.

TO THE TAX Payers OF BRYAN.

The loss of the records may result in the city being required to make a canvass of the town in order to ascertain who have paid their taxes. I therefore respectfully request all persons to look up their receipts and have them convenient so that there may be no more delay than necessary. Your aid in this regard will be duly appreciated.

116 J. E. Butler, Mayor.

TECHNICAL EDUCATION.

Through the kindness of one of the residents of the College we are enabled to reprint the following editorial from the San Antonio Daily Express:

The benefits of technical education are well illustrated in the statement from the Texas Agricultural and Mechanical College that six members of this year's graduating class in electrical engineering have good positions awaiting them as soon as they leave school. Tree of the number will go to New England and three to an electrical concern in Cleveland, Ohio, while others have good prospects at home, where they will be needed in the industrial development now in progress in every part of the South.

In a former time Texas, and the whole South, for that matter, depended on the North and East for its skilled workmen in the fields of industrial activity. There were few technical schools in the South and education was not given the practical character that now obtains, even in our public schools. Young men were given an academic course that fitted them for entering upon one of the learned professions, but with little preparation or equipment for successfully grappling with the problem of bread winning at the start. Few of the college graduates of those days were able to use their college diploma as a passport to profitable employment, though it

might be regarded as a valuable asset.

Technological schools are not nearly so numerous in the southern half of the Union as in the northern half, nor has the idea of technical education obtained so firm a foothold in the South as it has in the East, but we are making progress. There are industrial schools in Texas other than the Agricultural and Mechanical College, and industrial training has become a feature of the public schools in many of the school districts of the city. We are educating young men for the farm as well as for the professions and the result will be seen in the improved methods of farming, in the application of scientific principles and business acumen to the conduct of the farm. Agriculture is as much a science as medicine or law or engineering, and a Burbank who evolves a spineless cactus, a seedless melon and a new product from the combination of the tomato and the potato is to be credited with as great achievement as an Edison who invents a machine to reproduce the human voice or a Marconi who finds a way to transmit human thought to distant points without the aid of wires.

We are educating men for the workshops who will be able to fill places of responsibility and trust and to make their way to fame and fortune as captains of industry, if not as inventors of new labor saving devices, or as the reformers of old systems which need to be bettered. We need the lawyers and doctors and clergymen and educators, of course, but we need also and quite as much the educated and scientific agriculturist and botanist and horticulturist and the skilled artisan, and we are learning the value of practical education along technical and industrial lines. This is good for us and it may point to a time when the so-called learned professions will not be so overcrowded to the neglect of other callings which demand as much intellectual training for their proper development and conduct as any other.—The Battalion.

The Telephone Affects the Voice.

Rather an interesting claim has been made recently by Mr. Edward J. Hall, a well known telephone man, to the effect that the use of the telephone tends to equalize and change the human voice. He says, "The southern accent, too, is rapidly disappearing. There are many causes—the southerner travels more; he uses the language of commerce today where twenty years ago it was the language of literature; but, above all, looms the fact that the long distance telephone is used so much more generally and so frequently. The use of the telephone, little as the casual onlooker may think of it, is bringing all normal voices to a sameness of pitch and engrafting a similarity of enunciation. In fact, the telephone is gradually changing the voices of the nation."

This is rather a surprising statement, but the man who makes it is a close observer of facts. People as a rule talk louder than there is any need of when using a telephone. This may bring about a louder and more distinct speech with the general public.—The Battalion.

FARMERS' CONGRESS.

At a joint meeting of the committees appointed by the Farmers' Congress executive committee and by the board of directors of A. and M., in session at Dallas last Saturday, the date for the next Farmers' Congress was set for July 10, 11 and 12, at College Station. The sessions will begin at 9 a. m. July 10 and close at 9 p. m. July 12.

The committee representing the Farmers' Congress included the president, Prof. J. H. Connell; H. E. Singleton of the Texas Swine Breeders' Association, E. W. Kirkpatrick of the Texas Nurserymen, and C. C. Mayhew of the State Horticultural Society. These with Secretary Hanson of Rockdale constitute the committee on accommodations for the coming meeting. The committee appointed by the board from this College consists of Hon. Geo. T. Jester, Corsicana; Hon. K. K. Leggett, Abilene, and President H. H. Harrington. A great crowd is expected this year—even larger than last—and everything possible will be done to accommodate them the best they can.—The Battalion.

MONROE EDGE

We have sold 2000 acres of farm lands in the last few days, which is evidence of our ability in turning real estate.

We know it is a little unbecoming to boast, but you know every dog must do his own wagging, and thinking ours is duly entitled to a wag we haven't hesitated to give it one little shake.

We hardly understand why the investor invariably comes to us. But it is a known fact that he does.

We have had several thousand circulars printed, showing the good points about Bryan and Brazos County, and to meet the demand we expect in the near future we must increase our list of property for sale. If you are in the market for a home or have something to offer, come see us. We have a demand for several places in Bryan to cost from \$500.00 to \$1000.00.

For list of farm lands see weekly papers published at Bryan.

LOCALS

J. R. Shepherd of Kurten was in the city yesterday.

Rev. R. G. Bowers was a visitor from Waco yesterday.

S. E. Allen, a cattleman of Houston, was here yesterday.

T. A. Adams and S. H. Allphin are visiting in San Antonio.

Mrs. J. R. Johnson and Miss Bettie Johnson are visiting at Courtney.

A. A. Dean and Lum Holden of Tabor were in the city yesterday.

Mrs. Emma Thomas of Navasota is the guest of Mrs. J. B. Sanders.

Mrs. John Q. Tabor and Mrs. Lucy King arrived from Houston yesterday.

Dr. A. J. White and Leonard McDonald were here from Macy yesterday.

Revs. J. Wendel Davis and G. W. R. Cadman left Tuesday night to visit California.

Tom Donovan returned to school at La Porte yesterday after a visit to Rev. Gleissner.

Lost—Yesterday on the street, a lady's size gold watch. Reward for return to W. T. Ford.

Misses Pearl and Coma Gandy and Stella Carroll were visitors from Rock Prairie yesterday.

W. P. Trant and G. H. Hunnicutt on yesterday drove forty-three head of cattle to Grimes county.

J. H. Suber was on yesterday appointed administrator of the estate of Martin Turner, deceased.

Mrs. Lizzie Steele returned to Millican yesterday after a visit to Mrs. J. H. White and family.

Miss Emmie Fountain will be home from the University this week for a few days' visit.—The Battalion.

For Sale or Rent—Chatham home place, well improved, fifteen acres of land. Ralph K. Chatham. 115

Mrs. R. A. Risser of Ballinger and Mrs. Dr. Gilson of Calvert arrived yesterday to attend the Risser-Keeling wedding.

Marriage license were on yesterday issued to George Ivey Boyett and Miss Agnes Curran, Otis Laws and Louiseina Turner.

Miss McKenna returned to Galveston yesterday and Misses Welder and Lacour to Liberty after a visit at Villa Maria Academy.

Sixteen button silk gloves, white and black, at \$5c. Also net evening robes in pink, blue and white at \$6.95. Mrs. Mary Lawrence.

Rev. and Mrs. Cavens, who have been visiting their daughter, Mrs. F. S. Johnston, left Tuesday for Lafayette, Indiana, their home.—The Battalion.

Mrs. J. E. Player, Mrs. Blanche Meekins, Mrs. R. L. Clappitt, Misses Gertie Crawford and Myrtle Cunningham were visitor from Millican yesterday.

Sidney Rhodes and John B. Nabors have returned from a weeks trip to Madison and Leon counties. Incidentally they enjoyed some fine fishing at Staunmire Lake, and were caught Thursday night in a severe storm which blew their tent down.

At Hearne yesterday morning City Marshall Griffin captured the remaining convict of the two which escaped from the Terrell farm Tuesday. Sargeant H. H. South went to Hearne after the negro and returned to Allenfarm with him yesterday afternoon.

Referred to Finance Committee.

Washington, April 18.—Proceeding the taking up of the railroad rate bill in the senate Tuesday Mr. Tillman called up his resolution directing the senate committee on finance to begin an investigation of the question of campaign contributions by the national banks, and after he had spoken at length the resolution was referred to the finance committee.

TABOR.

Tabor, Texas, April 15, 1906.

Well here I come again this week to the jolly band as I was silent last week.

The farmers are progressing nicely with their crops, most all through planting cotton.

The Easter egg hunt given at the home of Mr. and Mrs. Hugh Seale Sunday was largely attended. About fifty people were present and all had a jolly good time and especially the children.

We are sorry to say that Mr. John Fullerton happened to a serious accident while coming home from town Saturday evening. His team got frightened at an automobile and run away and threw him out of his wagon and hurt him badly but we hope to see him out soon.

The young people of this community attended the picnic at Harris school house Saturday and all report a good time.

Mr. and Mrs. Lee Josey of Benchley visited Mr. and Mrs. Tom McCallum Saturday night and Sunday.

Messrs. Jim Minter, Carl Sealy and Misses Susie and Nannie McWhorter visited Misses Mary Bell and Lula Ball Sunday evening and all seemed to pass away the evening at the highest extent of enjoyment.

Mr. and Mrs. E. J. Hutchinson are on the sick list but we hope to see them up soon.

Mr. and Mrs. Mark Rudasill of Cottonwood visited the latters mother, Mr. and Mrs. C. A. Lefevre Saturday night and Sunday.

Miss Lizzie McCallum is visiting friends at Benchley this week.

Miss Willie Boyett visited her parents Saturday night and Sunday.

Miss Annie McCallum visited Mrs. Johnson Friday evening.

Dora

MR. IVAN BOYETT TO WED IN ENNIS.

Mr. George Ivey Boyett will be married in Ennis today to Miss Agnes Curran, a charming young lady of that city. The license was forwarded yesterday by the groom's uncle, Deputy Clerk G. R. Wicker, and Miss Jennie Boyett and Mrs. Seth Kinney, sisters of the groom, and Miss Lizzie Kirk, his cousin, went to Ennis last night to attend the wedding.

Ivan is a son of Mr. and Mrs. T. P. Boyett of Bryan, and is employed in the railroad machine shops at Ennis, where he is doing well. He is an intelligent and energetic young man, and his friends in Bryan unite in wishing for him and his bride abundant happiness.

JACKSON KIMBROUGH.

Mr. C. A. Jackson of Lafayette, La., and Miss Winifred Kimbrough, formerly of Waco, but who has more recently also resided in Louisiana, were quietly married at 3 o'clock yesterday afternoon at the home of Dr. and Mrs. H. M. Lanham at College, Rev. C. P. Fountain officiating. The bride is a niece of Mrs. Lanham and had been a guest in the Lanham home for several days. Mr. and Mrs. Jackson left for the groom's home yesterday afternoon.

Men's High Grade Suits At \$15.00.

HERE AT HOME.

Bryan Citizens Gladly Testify and Confidently Recommend Doan's Kidney Pills.

It is testimony like the following that has placed "the old Quaker Remedy" so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Bryan citizen:

Mrs. M. T. Wren, residing on Upper Cheapside street, Bryan, Texas, says: "Having read about Doan's Kidney Pills in the papers and believing I was slightly troubled with kidney ailment I decided to try them. I procured a box at Emmel & Maloney's drug store, and took the remedy according to directions and can say that the pain in my back was eased to such an extent that it is with confidence in the curative powers of this remedy that I recommend it as a kidney medicine which does all that is claimed for it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

I will have on display tomorrow a complete line of linens, including table damasks, sheets, scarfs, lunch cloths, doilies, etc. Call and see them before buying. Mrs. Nellie H. Ballard.

Danger Line Reached.

Natchez, Miss., April 18.—The Mississippi river reached the danger line here Tuesday afternoon at 4 o'clock with a rise of two-tenths a day. This will put the lowlands outside the levees under water, which means the overflow of a large cotton acreage. The levees are strong, and with Red river at a low stage, the water will pass off more readily, and the strain will be relieved before any break occurs.

VALUABLES BURNED.

Dry kiln at Gilmer, Tex., valued at \$6,000, burned.

Henry Loeb, a prominent citizen of Dallas, is dead.

Bill providing for coinage of minor coins passed senate.

Dr. Simon Sarlat, twice governor of Tobasco, Mexico, is dead.

Near Fox, I. T., Henry Gibbs shot himself fatally with a pistol.

Gas was truck at depth of thirty feet near Bennington, I. T.

Charles Riley was hurled to death in a mill at Hennessey, Okla.

Papers for new Russian loan of \$450,000,000 have been signed at Paris.

Houston and Texas Central renders its property in Dallas county at \$331,000.

York Turner, a negro, lined up a number of sports at East Ardmore and got \$65.

Dry goods store of F. G. Jameson & Co. at Whitesboro, Tex., was burglarized and several articles taken.

Smallpox among witnesses, jurors, prisoners and lawyers caused a sudden adjournment of court at Atoka, I. T.

Grand chapter of Royal Arch Masons of twin territories met at Ada, I. T., Tuesday. El Reno holds next meeting. Officers were installed.

SHOT BY NEGROES.

Parties Were Waylaid by the Rascals Wounding Them.

Los Angeles, Cal., April 18.—One man was fatally and another seriously shot by three negroes, who waylaid them on Enterprise street Tuesday night. Faro Amato and Luke Sebella, both Italians, were the victims. Amato is badly wounded and will die. Sebella was shot through the right arm. The two Italians had been making a call at the house of some friends in Sacramento street. Leaving the house the men proceeded down the street, and when at the corner of Enterprise and Wilson streets the three negroes stepped from behind a growth of trees and commenced firing at the Italians. Amato fell to the pavement after the first fire. The negroes took to their heels and disappeared. The shooting is believed to be the result of a recent race war between negroes and Italians in the colony in the neighborhood of where the shooting occurred.

SECRET SESSION HELD.

Convention is Called For South McAlester on May 16.

Shawnee, Okla., April 18.—Four hundred members of the Indianhoma Co-operative and Educational Union from both territories attended a secret convention here Tuesday. The feeling because congress failed to remove the restrictions from Indian Territory lands is so great that a special session of members from Indian Territory was called to meet at South McAlester May 16.

Woolen Will Wear IN ALL : A THERS

Argue as they will, one fact remains: Cotton adulterated cloth will neither keep its shape nor wear under any conditions. Pure woolen cloth will. Our Stein-Bloch Smart Clothes are made of pure woollens, tested by the wool test, which is the beginning of all

Stein-Bloch Clothes

The only reason why cotton is substituted for wool in mercerized fabrics is to cheapen the goods. A house is no stronger than its foundation. So with clothes. Cheap fabrics mean cheap clothes; and no matter how shrewdly they are tailored, they will be untrustworthy. Stein-Bloch employ no mercerized or cotton adulterated fabrics. Their goods are pure caustic-tested wool, and the clothes made from them wear and keep their shape.

The Stein-Bloch Wool Test

The Stein-Bloch Wool Test consists of a boiling solution of water and caustic potash, the chemical action of which dissolves wool but not cotton. The two samples here shown were originally of the same length. The test proved one to be all wool, consuming the part immersed and leaving only the blackened edge. The other proved to be an adulteration containing a large per cent of mercerized cotton.

Stein-Bloch Suits \$17.50 to \$25.00

Kirschbaum Suits \$10.00 \$12.50 \$15.00

Kirschbaum Clothing Plant is the largest in the world, and these clothes from \$10.00 to \$15.00 have no equal. Give us a look, we can please you.

IS OPPOSED BY BEALL
Member From Fifth Texas District
Against Quarantine Bill.
QUESTION OF QUORUM
Thinks Police Powers of the Commonwealths Afford
All the Protection That
Is Requisite.

Washington, April 18.—To clear the legislative decks for pending money bills for the support of the government, the house Tuesday worked uninterruptedly from 11:30 to 6 o'clock. In that time eleven general bills were passed under suspension of the rules, all sections of the country being interested in the legislation enacted. Next to the national quarantine bill, which was opposed by southern Democrats on account of the fear that police powers of the states were invalid, the bill to regulate appeals in criminal cases was probably of largest interest, the attorney general deeming the legislation of vital importance on account of the decision in the beef trust cases, the present law not permitting the government, when a demurrer to an indictment is sustained, to have the same reviewed on writ of error by either the supreme court of the United States or by the circuit court of appeals. In addition to the bills referred to, the house passed a large number of private pension bills.

TWAIN TO TERRY.
Humorist Assures Actress He Still Admires Her Despite Age.

New York, April 18.—A morning paper says that Mark Twain has sent a cable message to Ellen Terry at London, preparations for whose stage ju

JAMUEL L. CLEMENS (MARK TWAIN) AND HIS BIRTHPLACE.

biilee are being made, saying: "Age has not withered nor custom staled the admiration and affection we have felt for so many years. I lay them at your feet with the strength and freshness of their youth on them undiminished."

BALL AND BAT.

American League.

Cleveland was victorious at St. Louis over locals 3 to 1.

Washington on home grounds defeated Philadelphia 5 to 2. Manager Stahl of local team was put out of the game for disputing the umpire's decision.

Before a record-breaking attendance at Detroit Chicago defeated the home team 5 to 3. Manager Jones of Chicago differed from the umpire, and retired to the bench.

Just before the first game of the season at Boston a cab horse, frightened by an automobile, dashed through the dense crowd at the park and several persons were injured. Governor Guild and party narrowly escaped, and were foremost in assisting the injured to carriages. The 18,000 spectators saw the home team go down in defeat before New York 4 to 3.

Southern League.

Shreveport Tuesday defeated Little Rock at latter city in an exciting ten-inning game 5 to 4. First Basemen Douglass of the Little Rock nine was put out of the game for disputing a decision by Umpire Pudderham. Attendance was 1,000.

At Birmingham the locals were defeated 1 to 0 by Atlanta. It was a pitchers' battle between Clark and Zellers, the latter doing more effective work. Manager Smith and Right Fielder Winters of the Atlantas were put out of the park and Jordan fined \$5 for disputing a decision.

Nashville defeated Montgomery at latter city 1 to 1 before 2,500 spectators.

National League.

In a ten-inning contest at Brooklyn New York won, 1 to 3.

At Philadelphia Boston was shut out, 1 to 6.

Over 17,000 Pittsburghers saw the home team defeat Cincinnati 3 to 2.

At Chicago the locals lost the first game of the season to St. Louis 6 to 3.

SCORED BY FOLK.

Mob's Action Termed Dastardly, Cruel, Inhuman and Cowardly.

St. Louis, April 18.—Governor Folk, in an address at the Commercial club banquet Tuesday night, referring to the Springfield lynching, said: "The action of the Springfield mob was dastardly. Those who would condone the action of the mob speak of the killing of a negro by young Peters at Springfield Monday night, in this case Peters was attacked by the negro, and he shot to save his life and the honor of the lady he was escorting. His act was courageous, and was entirely blameless in the eyes of the law. Conscious of the righteousness of what he had done, he went to the authorities and gave himself up. He was promptly and properly discharged. If the members of the mob think they did a manly thing, why do they not bravely give themselves up and have the law take its course?"

Scale of 1903 Adopted.

Pittsburg, Kan., April 18.—The eighth annual convention of the United Mine Workers district of Kansas adjourned sine die. The convention adopted the 1903 scale with 8 cents additional on tonnage in Cherokee and Crawford counties and a proportionate advance in Osage and Pleasanton. The general provisions recommended a few changes, which will make working conditions better.

Grain Rates Advanced.

Chicago, April 19.—Western traffic men, in general conference here, agreed to increase the grain rates 1 cent from the Missouri river territory to the Gulf of Mexico and Atlantic ports. This practically settles the grain rate war.

Publicity Bill Passes.

Albany, April 18.—The assembly passed unanimously the bill requiring the publicity of campaign contributions and expenditures.
